BRITAIN has its **THIRD** Prime Minister in just seven weeks after Rishi Sunak was appointed by the King yesterday.

The pocket-sized former Chancellor of the Exchequer was handed the seals of office just minutes after Liz Truss resigned.

Mr Sunak now faces a host of concerns, including inflation, Tory party disputes, war in Ukraine... and not being eaten by Larry, the No.10 cat.

## Cheap food prices rise by over 60%

THE UK's most squeezed households are seeing the price of some of the cheapest food soaring by nearly two thirds, new data has revealed.

The price of the least expensive pasta that under-pressure shoppers can get has risen by 60% in the last year, according to the Office for National Statistics.

The cheapest vegetable oil has jumped by 65%. Statisticians have collected more than a million prices from supermarket websites over the past year to compare the cost of the cheapest available produce.

It allows them to better understand the impact of the cost-of-living crisis on poorer households.

They said that the cheapest tea had risen in price by 46%, chips rose 39%, bread was up 38% and biscuits up 34%.

## MPs in limbo as WhatsApp fails

POLITICAL plotters were all at sea yesterday when messaging service WhatsApp went down, hours before Rishi Sunak was made PM.

Thousands took to social media to complain that they are unable to send or receive messages on the popular platform.

WhatsApp confirmed it was aware of the issue and was working to fix it.

Among the most concerned users were Tory MPs – on the day of a Cabinet reshuffle, MPs hopeful of landing a minister job were without a vital way of sounding out advisers.

# IS PUTIN ABOUT TO SET OFF A DIRTY BOMB?

RUSSIA doubled down on a warning Ukraine is preparing to use a "dirty bomb" on its own territory, an assertion dismissed by the West and Kyiv as false, as the issue was brought to the U.N. Security Council yesterday.

Moscow sent a letter detailing its allegations about Kyiv to the United Nations late on Monday, and diplomats said Russia planned to raise the issue at a closed meeting with the Security Council yesterday.

"We will regard the use of the dirty bomb by the Kyiv regime, as an act of nuclear terrorism,"

Russia's U.N. Ambassador Vassily Nebenzia told U.N. Secretary-General Antonio Guterres and the Security Council in the letter.

Ukrainian President Volodymyr Zelenskyy has said Russia's accusation was a sign that President Vladimir Putin, who has threatened to use a tactical nuclear weapon in Ukraine, was planning such an attack and was preparing to shift the blame to Ukraine.

With Ukrainian forces advancing into Russian-occupied Kherson province, top Russian

officials phoned their Western counterparts on Sunday and Monday to air their suspicions.

France, Britain and the US said the allegations were "transparently false" and Washington warned Russia there would be "severe consequences" for any nuclear use, while saying there were no signs of that yet.

The White House said there was no indication Russia had decided to use a dirty bomb or any nuclear weapon.

The U.N. nuclear watchdog is preparing to send inspectors to two Ukrainian sites.

## HSBC profit hits £5.7bn in three months

BANKING giant HSBC has seen its quarterly profits jump by one billion US dollars (£884.2 million) compared with last year as it raked in more income from rising interest rates.

The lender reported adjusted pre-tax profits for the three months to September 30 of \$6.5bn (£5.76bn), up from \$5.5bn a year earlier.

It also beat market expectations, which had predicted \$6bn for the quarter.

It came as the group also announced the departure of its chief financial officer and executive director, Ewen Stevenson, who will leave HSBC in April next year.

The bank saw its net interest margin increase to 1.57% in the third quarter from 1.19% a year ago.

This has been bumped up by a rise in the Bank of England's base rate, which has made it more expensive for people to borrow and driven up mortgage rates.

But banks are able to make higher profits as they can take in more money from people's loan repayments.

## Two killed in shooting

TWO men have been killed and a third critically injured in a shooting in east London, the Metropolitan Police said.

Officers were called to Henley Road in Ilford at around 12.15am on Tuesday following reports of a fight in progress and shots fired.

They found three men with gunshot injuries. One man in his 20s was pronounced dead at the scene, while another died a short time later.

The third victim, aged in his 30s, was taken to hospital and remains in critical condition.

There have been no arrests.

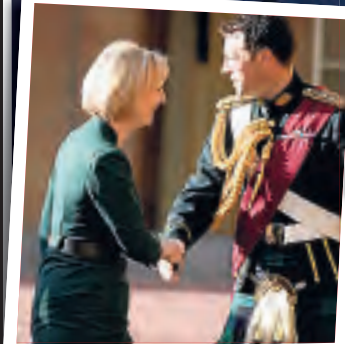

The Met said officers believe they know the identity of the man in his 20s and work is ongoing to identify the other man killed in the shooting.

## KING MAKES RISHI PM...

# SEE IF YOU CAN DO ANY BETTER THAN THE LAST ONE

OVER TO YOU: The King with Sunak as Truss bows out (below)

IN CHARGE: Sunak in Downing Street

**NEW Prime Minister Rishi Sunak warned the UK faces a "profound economic crisis" as he pledged to fix the "mistakes" of Liz Truss's leadership.**

The freshly-appointed Tory leader braced the nation for "difficult decisions to come" as he made his first speech after meeting the King.

Mr Sunak 42, became the UK's first Hindu PM, the first of Asian heritage and the youngest for more than 200 years.

He was appointed by the King after Charles accepted the resignation of Ms Truss after just 49 days in office, making her the shortest-

serving leader in UK history.

In his speech from No10, Mr Sunak said it was "only right to explain why I'm standing here as your new Prime Minister", saying: "Our country is facing a profound economic crisis."

He said it is the aftermath of the pandemic and Vladimir Putin's war in Ukraine.

Mr Sunak said Ms Truss was "not wrong" to want to drive up growth.

He added: "But some mistakes were made. I've been elected as leader of my party and your Prime Minister in part to fix them – and that work begins immediately."

He vowed to put "economic

stability and confidence at the heart of this Government agenda", after the financial chaos triggered by Ms Truss.

"This will mean difficult decisions to come," he said, but he promised to repeat the "compassion" he showed during the pandemic.

### Bold

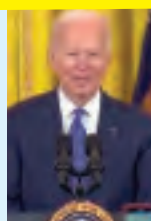

Liz Truss defended her lower-tax vision for the UK, before bowing out as the shortest-serving British prime minister ever.

In an unapologetic farewell speech outside Number 10, she urged her successor Rishi Sunak to be "bold" in a bid to boost the economy.

She said the UK "cannot afford" for government spending to take up an "increasing share of our national wealth".

# CONGRATULATIONS RASHID!

## Biden blunders over Sunak's name

JOE Biden has come under fire after mispronouncing the name of Rishi Sunak.

Speaking at the White House on Monday, after Sunak's ascent to 10 Downing Street was confirmed, the president said "Rashid Sanook" is "now the prime minister" of

the UK. Following cheering from the crowd, the president said: "Pretty astounding. A groundbreaking milestone and it matters."

The 79-year-old congratulated the new resident of Number 10, calling the feat "pretty

astounding" during a reception celebration of the Hindu festival Diwali.

He called Sunak's rise to the top a "milestone" for the country, and commenting on Britain getting its first ethnically Asian prime minister, Biden said "it matters".

## Shock ruling by Euro court...

PROTEST: Eloise Bouton makes a stand in 2013

# FLASHING YOUR BOOBS IN CHURCH IS A HUMAN RIGHT!

**THE European Court of Human Rights has sensationally ruled that a woman's human rights were violated after she was given a suspended prison sentence for flashing her pert busters in a church.**

In December 2013, Eloise Bouton, then a member of the Ukrainian feminist activist group Femen, took to the altar of the famed La Madeleine church in Paris to protest at the Catholic Church's strict ban on abortion.

And her protest "performance" involved walking to the altar of the church topless with the words "344 slut" written on her body – a reference to an open letter of 343 women who admitted having an abortion in 1971.

And in the ensuing backlash, they were dubbed "salopes", which translates as "sluts".

In 2014, the French courts gave Ms Bouton a suspended prison sentence for sexual exposure. But this week, the ECHR ruled that sentence violated her freedom of expression and that the French courts must pay her £8,500 in damages, costs, and expenses.

The ruling stated: "The Court concluded that the domestic courts had not struck a balance, in an appropriate manner,

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

between the interests at stake and that the interference with the applicant's freedom of expression."

Ms Bouton added: "I didn't believe in a positive outcome any more, but the ruling is historical. It's going to set legal precedents, and what it means for women and militant feminists who use their bodies to protest is that they may now be allowed to do so in France."

Ms Bouton said the ECHR ruling is a sign of progress since 2013, adding: "I don't know if France would have sued me for sexual exposure in 2022. There are still a lot of problems, but we're moving forward."

## Corden sorry for diner stop

**JAMES Corden** has admitted he was "ungracious" to a restaurant server in an incident which saw him temporarily banned from New York eatery Balthazar.

Speaking his *Late Late Show*, he said "it was never my intention" to offend restaurant staff.

Keith McNally, who owns Balthazar, said last week that Corden had been an "abusive customer".

He later revealed the star had since apologised.

Corden said: "Because I didn't shout or scream, I've been walking around thinking that I haven't done anything wrong. But the truth is I have made a rude, rude comment. And it was wrong."

## Kerry draws the line at making plop

CELEB Kerry Katona will do anything in front of her fiancé... except do a POO.

The 42-year-old (above), who's engaged to fitness instructor Ryan Mahoney, said she's comfortable being in her birthday suit in front of him and even lets him see her bad habits, but she draws the line at shitting in front of him.

She said: "I've never had a No.2 in front of Ryan... that's where I draw the line. But I always get undressed in front of him."

However, the former Atomic Kitten singer, who has been married three times previously, did admit that when she is not feeling "at her best" she "hates" Ryan seeing her body and is planning to have corrective surgery on her tummy.

She added: "I'm the biggest I've been since having kids. But until I've had corrective surgery next year, there is not much I can do about it."

Well, that's what the Queen Mum of Pop claims. Madge took to Instagram to reflect on the legacy of her 1992 coffee table book *Sex*, in honour of its 30th anniversary.

She wrote: "30 years ago I published *Sex*. In addition to photos of me naked, there were pics of men kissing men, women kissing women, and me kissing everyone."

The *Like a Virgin* singer added: "I also wrote about my sex fantasies and shared my point of view about sexuality in an ironic way."

"I spent the next few years being interviewed by narrow minded people who tried to shame me for empowering

myself as a woman. I was called 'a whore', 'a witch', 'a heretic', and 'the devil'."

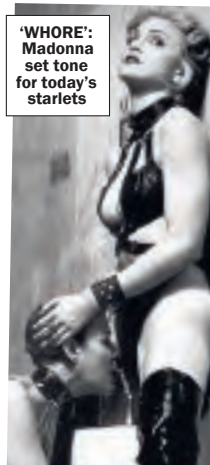

Deemed highly controversial at the time, Madonna's *Sex* book was published on October 21, 1992, by Warner Books, a day after her fifth studio album *Erotica* was released.

Continuing to reflect on its legacy via Instagram, the star, now 64, declared it paved the way for other females, including Cardi B, Kim K and Miley.

"Now Cardi B can sing about her WAP," Madge wrote. "Kim can grace the cover of any magazine with her naked ass and Miley can come in like a wrecking ball."

A fan said: "I remember that book well. My poor dick was in bandages for weeks and weeks afterwards."

## Ukraine pick Euro song in bomb shelter

UKRAINE will select its entry for the Eurovision Song Contest in Liverpool through a live event hosted from a bomb shelter in Kyiv.

The grand final of Vidbir, its selection competition, will take place on Saturday, December 17.

Ukrainian national broadcaster UA:PBC has received nearly 400 songs from 299 participants, all hoping to replicate Kalush Orchestra's success in Turin, Italy.

Pianoboy, the Ukrainian music producer overseeing the selection process, said: "I would like this Vidbir to discover new outstanding creative names and make people feel touched and good about this music."

"I must say, which is quite unexpected for me, this job is based on psychology because you have to raise musicians from sort of a bottom, motivate them."

The UK is hosting the 2023 contest on behalf of the war-torn country after finishing second in 2022.

CAMPAIGNER Peter Tatchell has been arrested by the Qatari security services while protesting against the country's treatment of LGBT people in the run-up to the World Cup.

The Peter Tatchell Foundation said the human rights activist was detained near the national museum in Doha as he staged a demonstration against "one of the most homophobic regimes on Earth".

The 70-year-old had been holding a placard reading: "Qatar arrests, jails & subjects LGBTs to 'conversion' #QatarAntiGay," the charity said.

The star started posting on Sunday after deactivating her account earlier this month.

She burst back with a saucy snap showing her cupping her full breasts.

She is seen on a sandy shore near shallow water, wearing nothing but a sun hat to shade her eyes from the bright sun.

A fan said: "All I see on the beach is litter and dogshit. Got to get to where Britney is."

## PERVERT JAILED AFTER EYE WITNESS REPORTS VILE ACT 'There was man

# dressed in women's clothing involved in a sexual act with a dog'

**DEPRAVED:** Lerwill was jailed for trying to shag a dog

**A MAN who was dressed as a woman while trying to have sex with a dog has been jailed for 12 weeks after he was caught by a horrified member of the public.**

Peter Lerwill, 30, admitted the vile act after he was arrested and kept in custody when the shocked onlooker alerted cops.

The dog was taken to a vet but was thankfully unharmed and later returned to its owner while a bail address where Lerwill would not have access to animals was searched for.

### Intercourse

Officers confirmed the incident happened in Hurstpierpoint, West Sussex – where Lerwill is from.

He has been banned from owning or having any control of a dog for five years while also being placed on the Sex Offender's register for the same period.

A spokesman for Sussex Police said: "Lerwill, of Western

Road, Hurstpierpoint, admitted attempted intercourse with an animal at Lewes Crown Court and was sentenced to 12 weeks in prison. "Lerwill was arrested after police received a report of a man dressed in women's clothing involved in a sexual act with a dog. The dog was immediately taken to a vet for an assessment and any care. Thankfully it did not suffer any physical injury and was returned to its owner."

He was released on conditional bail by the courts pending a trial, during which time Lerwill changed his plea to guilty. "Forensic samples

obtained during the dog assessment only strengthened the case that there had been activity of a sexual nature with the dog," the spokesman added.

Lead investigator Oliver Robinson said: "This was an extremely upsetting case where Lerwill preyed on a defenceless animal."

"Thanks to the prompt reporting by the informant we were able to arrest Lerwill and complete forensic examinations which helped secure the conviction."

"This conviction means Lerwill will be appropriately managed by a specialist team of officers for five years to ensure compliance with the orders imposed by a court."

## Drew: getting naked at home is 'liberating'

HOLLYWOOD legend Drew Barrymore says she loves to walk around in the NUDE. The 47-year-old star (above), who's currently single but has two daughters, said that when she's home alone she finds it "liberating" to walk around naked. She said: "If I get a moment alone in my apartment, and my kids have gone to their dad's, or there's no-one around, I'll lock all the doors and I'll walk around naked. "It just feels like the most liberating act I can do."

The *50 First Dates* actress previously claimed she could "go years" without having sex and more recently explained that she has "very different feelings about intimacy" now than she did when she was younger.

In a blog post, Drew wrote: "I'm sure that there was one point in my life where six months might have seemed extreme, but I'm on the other side of that now. "At nearly 48 I have very different feelings about intimacy."

## 'Society' made man kill cyclist

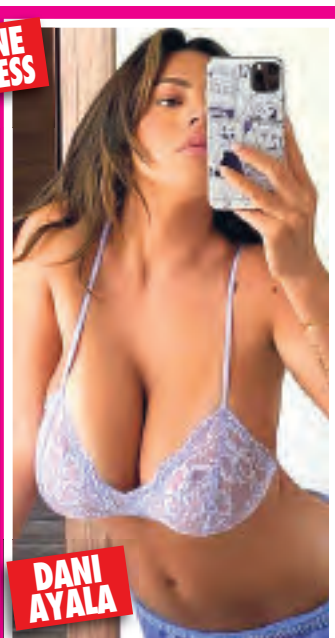

A MAN has confessed to killing a cyclist - blaming "the ills of society" for bashing him with a wheel wrench more than 10 times in a random attack. Jermaine Adrian Bennett was charged with first-degree murder in the brutal death of 49-year-old Jeffrey Chapman in Clearwater, Florida. Deputy Police Chief Michael Walek said Bennett told cops he killed Chapman because the "ills of society had gotten to him."

"This was a totally random act. It was a chance encounter that turned deadly while the victim was simply trying to ride his bike home," Walek said.

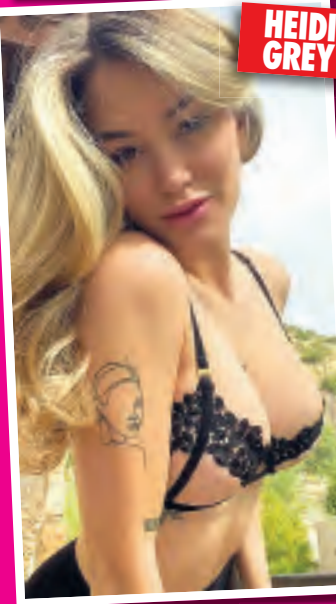

After the heinous crime, Bennett went to his job at an optician. He was arrested based on CCTV pictures.

**SHE'S** the nation's sweetheart, thrilling fans in everything from ITV's *Corrie* to Sky's *Brassic*.

So how has Michelle Keegan attracted the warped attentions of FLATULENCE perverts?

Simply by posting some innocent snaps on Instagram, that's how.

The actress, 35, posed in a sexy silver corset top as she enjoyed a lavish girls' weekend away at the Hotel Gotham in Manchester.

The former soap star even shared a glimpse of herself enjoying a bath as she indulged in some well-earned pamper time.

The beauty dressed to impress in a lace up silver strapless corset, which boasted a low-cut neckline as she on posh foods.

And she told her 6.2 million followers on the social media site: "Pre-hibernating season."

But when the hate-filled *Daily Mail* posted the Insta snaps on their website, perverts were already circling in cyberspace.

One unforgivably posted: "Would love to have a smell when she sizzles out an eggy one..."

That's a revolting reference suggesting the commenter would love to inhale gases expelled from Michelle's bottom.

Last night a friend of the star gazed: "In the unlikely event that Michelle did ever drop her guts, it would not be 'eggy'. This is just vile!"

## Woman and 28 dogs die in fire

**AN** elderly woman and her pack of **TWENTY EIGHT** dogs are dead after a tragic house blaze.

Firefighters leapt into action after receiving a report of a house fire in Phoenix, Arizona, where they found the building well alight, with smoke billowing into the sky.

They rescued an 86-year-old woman from her home and took her to a nearby hospital, where she later died from her injuries.

Investigators from Phoenix police say an estimated 37 dogs were found in the property – many of them kept inside metal cages.

Firemen were able to save nine dogs and took them to the humane society for care. The rest of the 28 dogs sadly didn't make it.

Officials are still probing the cause of the blaze.

**ACTOR Kate Hudson always knows how to turn heads at a red carpet bash.**

And she certainly didn't disappoint at the *Glass Onion: A Knives Out Mystery* premiere at the recent London Film Festival.

The 43-year-old beauty went full glam in a sheer gown that offered up a very revealing fashion moment.

## Daring

Kate was dressed in a geometrically designed, chocolate-brown dress by YSL with a very daring diamond-shaped sheer panel that revealed her toned abs – and a good slice of soft side tit, too!

Here at *Midweek Sport*, we're suckers for a bit of side tit so after seeing Kate's sexy frock, we went looking for some more.

Hope you enjoy them!

## Dahmer fans throw panties at killer's dad

IN the wake of Netflix's hit series *Dahmer - Monster: The Jeffery Dahmer Story*, some overzealous fans have flocked to the Ohio home of the late serial killer's father, Lionel Dahmer, 86, posting vicious and sometimes lusty messages for him.

"We had a lady stop at the end of the drive, take off her panties and throw them in the yard," Lionel's carer, Jeb, 34, said.

"I had to go out there with a pair of tongs to pick up this woman's granny panties," he added. "The girl was in her early twenties and was shouting, 'I love you, Lionel!'"

Jeb, who's outlined the OAP's property with "no trespassing" signs, went on to bash the cannibal murderer's zealots for targeting the octogenarian.

"It's people like that that we're trying not to have here, that's why I put up signs."

The Netflix series overtook *Bridgerton* as the streaming service's second-most popular English-language show of all time.

## Astronaut joins NASA team in new UFO study

NASA has selected 16 individuals to participate in a study of UFOs.

The team kicks off the study this week and they are scheduled to spend nine months reviewing previous observations and determining how to analyse data on future events.

The study will not determine if past reports of UFOs were legitimate, but will pave the way for understanding what observations will be needed in future events to better understand the phenomena.

"Exploring the unknown in space and the atmosphere is at the heart of who we are at NASA," a spokesman for NASA said.

The members come from various backgrounds and include ex-astronaut Scott Kelly, who served as a pilot on the Space Shuttle Discovery.

Lucy Studey spent 45 years trying to convince anyone who'd listen her dad Donald Dean Studey had murdered scores of young women and buried them with the help of his children, but no-one would believe her.

Now cadaver dogs have pinpointed suspected human remains at the spots

Ms Studey identified in a field in Thurman, Iowa, and if her story is confirmed by further investigation, it would mean her father is one of the most prolific serial killers in US history.

According to Ms Studey, Donald killed 50 to 70 women over a period of three decades. He died in March 2013 at the age of 75.

Ms Studey recalled how her father would direct her and her siblings to help him as he transported bodies. She said he would use a wheelbarrow in the

warmer months and a toboggan in winter.

"He would just tell us we had to go to the well, and I knew what that meant," she said.

"Every time I went to the well, or into the hills, I didn't think I was coming down. I thought he would kill me as I wouldn't keep my mouth shut."

After dumping the bodies into the well, the siblings would pile dirt on top to prevent odour.

Ms Studey was joined at the scene by Fremont County Sheriff Kevin Aistrope, along with two deputies, a dog handler, and his two dogs.

Sheriff Aistrope said: "I believe her 100% that there are bodies in there."

Authorities suspect Donald lured women to his five acres of forested hills and farmland then killed them.

Most of his victims were sex workers or transients picked up in nearby Omaha in Nebraska.

**£50k live burial  
to 'cure anxiety'**

**A RUSSIAN company is offering customers the chance to participate in their own funeral and experience being buried alive, for just £50,000!**

Founder Yakaterina Preobrazhenskaya said the new venture promises to help clients discover new talents and "psychic abilities" and deal with "fears and anxieties" after the funeral.

There are two packages for getting to attend your own final good-bye - the "online funeral" which costs £13k and is billed as "stress therapy for fears and anxieties", and the "full immersion" funeral, which buries customers for up to an hour.

The "full immersion" package is said to renew a person's "desire to live".

Cleghorn received 3,208 votes to come second and Hernandez received 2,855 votes to earn third.

Miss axed over sexy Insta pics

A TEACHER says she was sacked because of her sexy Insta posts. Yimmy Ilias Isaza (above), of Barranquilla in Colombia, who has more than 393k followers on the social media site, was fired from her job after school bosses saw her sultry selfies. In one of her posts she posed in a metallic gold bikini and lacy cover-up which has a crotch-high slit – a pic that sent 1,750 digital tongues wagging. In other photos, she posed in skin-tight bodycon dresses, tiny bikinis, and lingerie. And although she's said to have been a hit with her students in the classroom, Yimmy's school bosses said her online image "was not consistent with their workplace policies and she was shown the door. Since being fired, Isaza is said to be "doing well" and has already landed a new position.

Sydney wore an all-black outfit that included a stylish sleeved leather crop top which also served to show off a portion of her toned tummy at the event.

But Syd's not the only one going hell for leather.

Here are some more babes dressed in the sexy material – with their boobs out, of course!

# #MY SEX FANTASY

# 'We kiss and her hands soon wander up my thighs...'

**...WITH ZAFIRA KASS, 34D, FROM MANCHESTER**

**LATELY** I've been really lusting after some lady loving. I consider myself largely straight but I could definitely say yes to some lesbo action!

There are some really beautiful women and now and again when I'm out clubbing someone catches my eye.

In my fantasy I pull a girl – a latino type with big boobs – in a club and we head back to hers in a taxi.

The attraction is so strong we are all over each other in the back of the cab.

I know I should show constraint but it feels so good as she kisses me sensually and her hands wander up my thighs.

She fingers me and plays with my clit and I know it's very naughty but I can't stop.

I see the taxi driver getting a cheeky eyeful, too.

I unloosen her top and her breasts fall out and I suck on her nipples.

She lets out a moan and the taxi driver asks to join in, and we giggle.

Then when we get back to hers we go down on each other – she takes her sweet time and it's bliss.

I just don't know any lesbians or bi girls so it doesn't happen.

It turns me on so much I should make my fantasy a reality – I guess it's easy enough with dating apps.

## Man held over dismembered bodies in river

A KNOWN felon who was wanted over the violent deaths and dismemberment of four men has been arrested.

Joe Kennedy, 67 (above), was held in Daytona Beach Shores, Florida, while driving a stolen vehicle.

Alex Stevens, 29, left for a bike ride with Mark Chastain, 32, his brother Billy, 30, and Mike Sparks, 32, on October 9. The four were reported missing when they didn't come home that evening.

Their bodies were found on the surface of Deep Fork River in Oklahoma five days later.

Police had named Kennedy a person of interest after officers found evidence of a "violent event" that had taken place at a scrapyard he owned in nearby Okmulgee.

One of the victims' mobile phones last pinged in the salvage yard before going dead.

An official cause of death has not been released, but all four men had gunshot wounds, and their bodies had been dismembered, Okmulgee police said.

## Snake catcher wins £9k prize

PARTICIPANTS removed more than 230 Burmese pythons from the Florida Everglades during the Sunshine State's annual 10-day contest.

Nearly 1,000 people from 32 states, Canada and even Latvia took part in the Florida Python Challenge, where the goal is to remove as many of the invasive reptiles as possible from the preserve, the Florida Fish and Wildlife Conservation Commission said.

Participant Matthew Concepcion took home the top prize of £9,000 for capturing the most snakes – 28 pythons, 13 more than the second-place winner.

# WEINSTEIN'S 'DEFORMED GENITALS' TO APPEAR IN COURT

MOVIE pervert Harvey Weinstein's deformed genitalia will be laid bare and discussed in detail during his trial over alleged sex crimes, prosecutors revealed.

The disgraced Hollywood mogul's accusers will take to the stand and describe "unique things about his body" – including his testicles – as they recall how he allegedly sexually assaulted them, District Attorney Paul Thompson told LA Superior Court.

"What I'm referring to is the result of a surgery that the defendant had in

1999," Thompson said as Weinstein, 70, shook his head.

"Because of an infection, his testicles were taken from his scrotum and put into his inner thighs.

"None of the Jane Does will describe his anatomy perfectly, but most of them will be able to describe these abnormalities that they observed during the assaults."

Jane Doe is the name

given in the USA to witnesses whose anonymity is being protected.

He added that the surgery caused "pretty noticeable scarring," which will be visible in photos shown in court as the trial unfolds.

Weinstein – who is already serving a 23-year sentence for rape and sexual assault in New York – is now on trial for allegedly sexually assaulting

four women in Los Angeles between 2004 and 2013.

"Each woman came forward independently ... and they will tell you that the defendant assaulted them," Thompson said.

"After the defendant assaulted the women, they felt emotionally devastated. They feared that he could destroy their careers if they reported it."

California Governor

IN DOCK: Weinstein

Gavin Newsom's wife, Jennifer Newsom, is among the accusers and has been identified as Jane Doe 4.

## TWO NEW TV SHOWS PROBE AGE-OLD QUESTION...

# DO MAN EATING BIG CATS ROAM FREE IN BRITAIN?

By TIM WHITTARD [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**DOES a man-eating big cat live in the fields behind your home, or does one lurk on your favourite countryside walk?**

Two new telly shows are set to answer that chilling question once and for all.

The new multi-award winning shows on the subject both have shock new evidence which is set to air on our screens over the next week.

Documentary *Britain's Big Cat Mystery* and new reality TV show *Cat Hunters: The Search for the Beast of Exmoor* are both produced by Dragonfly Films.

Director Matt Everett claims that concrete proof of these mysterious beasts is finally here, as he said: "It's taken years of research and networking to gather the right evidence to do the story justice in a TV format."

"I think *Britain's Big Cat Mystery* is the most thorough documentary on the issue that viewers will have seen.

"We paid real attention to exploring the history and the science, and we uncovered some compelling evidence."

And he promised it's not all blurry photos and the testimonies of rural eccentrics either...

Matt added: "We got big cat DNA, but to find out more, people will have to watch the show!"

Several scientists and experts were also on hand to analyse the evidence, including never-before-seen photos, video and forensic science.

In *Cat Hunters: The Search for the Beast of Exmoor* viewers will be taken on a travel adventure to explore a decades-old mystery.

The show promises to solve the mystery of the Beast of Exmoor – a 40-year-old legend which is now embedded in popular culture.

The team claim they may have found the identity of the actual cat responsible for the Exmoor Beast story.

Both shows premiere on Blaze with *Britain's Big Cat Mystery* airing on Friday at 9pm, and *Cat Hunters* on Sunday also at 9pm.

**J**AW-dropping Lucie Jones loves dressing up in sexy lingerie and says as soon as she feels the silk stockings, she's ready for a shag.

Lucie, from Bristol, said every time she wears kinky underwear she wants sex straight away and also confessed her night after this photo shoot was VERY saucy indeed!

The 32E beauty may have posed in an innocent-looking white lingerie set for these pics, but she said her thoughts in front of the camera were quite devilish.

She said: "As far as I'm concerned, wearing sexy lingerie means you're getting ready for sex. There's no messing about when you're dressing up in all the gear.

"That means whenever I put some on, I get turned on.

"It can be embarrassing during photo shoots though, as I have to rein myself in or I get far too excited.

"Put it this way, after this particular shoot my boyfriend had a very good night!"

WHAT'S ANNOYING HIM THIS WEEK?

## Less of the tripe, it's time for an election

**BY the time this piece reaches you, World Tripe Day will, alas, be over.**

Monday's campaign to try and encourage people to scoff more of the revolting, rubbery linings of cattle or sheep stomachs will have retreated once more into the shadows.

Now, I have no idea why anyone in history has ever wanted to eat tripe, which is every bit as unpleasant, smelly and unsightly as it sounds.

Much in the same way I will never understand the man who first scooped a squid out of the sea – I can only put it down to utter starvation.

Because, when push comes to shove, we all do what we must to survive.

On the same day, while one load of tripe was being championed, another pile of it was up to something else...

Monday was also Get Another Unelected Prime Minister Day.

And Rishi Sunak has now walked into No.10 without any of the bother of having to ask the nation for the keys.

Now, Tory supporters get quite hot under the collar at this point.

"Erm," they point out, "we got an 80-seat majority in 2019" and it's impossible to argue with that.

But likewise, it's impossible for them to argue that the resulting three years have been anything less than a disaster.

True, no-one could have foreseen the pandemic.

And Boris's Government was able to get ahead of the European Union on the vaccine rollout.

Also true is him taking full advantage of all the photo opportunities offered to him by the war in Ukraine.

But here in the real world, did Boris get Brexit "done" as promised? No.

Are we anywhere nearer to getting Brexit done? No.

And are the Remainder sharks now circling, having scented the smell of blood?

Very definitely, yes.

It's pretty obvious that if we had a general election tomorrow, Labour would win by a landslide.

The Tories would be pretty much wiped out.

The Lib Dems might gain a couple of MPs, but that would be it.

Meaning His Majesty's Opposition would be – could be – the Scottish National Party.

Imagine. A party that detests all things Westminster suddenly making

UNPLEASANT:  
Sunak (above)  
and some tripe

up the second largest party in the British parliament which it claims not to be able to abide.

And all of them – Labour, SNP, Lib Dems – devoted to the EU.

Depending on the size of his majority, I can well see Keir Starmer avoiding a referendum on rejoining the EU and just get passed by the EU-loving MPs right across the Commons.

Because f\*\*k the voters. The politicians want their Brussels gravy train back.

But you know what? The Tories can keep on reminding people that Labour anointed Gordon Brown to take over from Tony Blair without it going to an election.

They can also point out that it took Brown, once known as the Iron Chancellor, three whole years of wobbly-jawed frit before he finally went to the polls – and lost.

But this isn't a Gordon Brown situation, folks.

That was when Liz Truss got the job, and from there on all bets were off.

You can anoint one PM without a general election... at a stretch. But two in a row? No f\*\*king chance.

Whatever you think of any of them, the Tories only have themselves to blame for stabbing Boris in the back.

And Boris only has himself to blame for bugging things up so badly in the first place.

So yes, it is time for a general election.

Even if the result will be offal.

## A punch on nose drives bear away!

A WOMAN fought off a black bear that charged at her by punching it squarely on the nose.

The adult female black bear attacked the unnamed female from behind when she let her dog outside in Leavenworth in the Cascade Mountains, Washington state.

The bear charged at her and knocked her to the ground and she was later hospitalised with minor injuries.

"She didn't see it coming so she could not make herself big, clap her hands, you know, yell at the bear, wave her arms," wildlife biologist Rich Beausoleil said.

He added: "Those are the things we usually tell people to do."

However, the lady's strategy may have been life-saving.

Rich added: "If the bear knocks you down, then yes, your solution is to fight. It was just instinct for her – she turned around and popped the bear right in the nose!"

The bear apparently "shook" following the hit, and then ran off.

## Teen gave granny's cash to classmates

A TEENAGE girl swiped thousands in banknotes from her own gran to dole out to pals at school.

The 14-year-old broke into her granny's safe, using a screwdriver and a metal pick, and took £12k.

Cops turned up at Lake Weir Middle School in Florida after being told the teen was handing out hundred dollar bills to each classmate.

School officials later found a large sum of cash in the girl's backpack, police said.

The teen claimed an ex-student gave her the dough and wanted it passed around – a story which officers later found didn't add up.

An effort is now under way to try and recover the rest of the money, which the grandma had from a house sale.

# FURY AS SEX DOLLS USED IN 'HOLY CEREMONY'

A GROUP of devotees who took sex dolls to a holy site to perform 'ritual incantations' will be prosecuted.

Eight people tried to bring the pair of 'lady dolls' into the towering, gold-plated Shwedagon pagoda in Rangoon, Burma.

The dolls were allegedly imported by the accused from China for around £2,000 each.

Security prevented the dolls from entering the complex, which dominates the commercial capital's

skyline and, is said to contain strands of the Buddha's hair.

The group instead left them outside and walked around the compound before carrying out the incantations in the car park. It is not known what acts they performed.

"While performing their ritual incantations, pagoda security personnel called them for interrogation and rid the pagoda precinct of the dolls," the ministry said. State media showed

pictures of the dolls wearing tiaras and traditional dresses, their palms pressed together in a traditional greeting and with offerings of fruit and flowers laid out before them.

The group will be prosecuted 'for defamation of the Buddhist religion,' the statement said.

Some online users condemned the groups' actions.

"This is very rude acting like this at Shwedagon as it is a holy place," one wrote.

# THE WORLD FAMOUS AGONY Page

Dear Bexi,

I'VE had my girlfriend in every hole and she loves talking dirty every time I f\*\*k her.

A couple of weeks ago she told me that she had a special present lined up for my 30th birthday – a threesome with her and her fit mate from the place where she works.

They're both 25 and while I fancy my girlfriend, her mate is a right cracker. She's blonde with a perfect arse and big tits.

Come the night, they started to suck me off but my bird's mate looked so horny I couldn't wait to bone her.

My girl was licking my balls as I shagged her pal and I have to admit I was enjoying every minute of her fantastic body as I pounded away for what seemed an age.

But the next day my girlfriend went mad at me because I ended up shagging her mate four times and her only once.

What should I do?

TC, Leeds

Bexi says...

ASK your girlfriend if she's got any more great ideas.

Dear Bexi,

MY girlfriend is obsessed with the Batman films and has bought me a Batsuit to wear when I'm shagging her.

I'm short and skinny, so I look ridiculous in it, but I am prepared to look stupid if it keeps her happy.

One day she said she wanted me to put the Batsuit on, pretend to "rescue" her in an alley and then shag her.

When we got to the alley it was dark, so I started to give her one. Unfortunately, a few people started to leave a nearby pub and their car headlights revealed what I was up to.

Loads of my mates saw me, so my life is now a misery.

What can I do?

SH, Birmingham

Bexi says...

MAKE sure you wear a mask as well next time so nobody will recognise you.

Dear Bexi,

A BLONDE stunner at work recently asked me to pick her up some kitchen worktops.

I told her I would meet her at her house in the lunch hour.

As I was unloading the last of the worktops in her garage I heard the door go down, then I felt her push me against the wall.

She thrust her hands down my pants and pulled out my throbbing cock, which she took greedily in her hot mouth.

I could feel myself coming, so I ripped off her skirt and bent her over the worktop before sliding my dick into her moist pussy.

I gave her a lift back to work and she invited me round in the evening. I asked about her boyfriend and she told me that he wanted to see her getting f\*\*ked by another man.

Do you think I should go for it?

DS, Sussex

Bexi says...

YES...as long as everyone is happy!

**AGONY IS BROUGHT TO YOU IN ASSOCIATION**

**WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXI WILLIAMS has been reading through your letters. And here's her advice for you...**

# Well-hung home help took care of my wife!

Dear Bexi,

**I'M a happily married man with three lovely kids and I've known my wife since we were at college.**

Recently she's been struggling with a bad back and we've had to spend a bit more of my wage – I've done OK in the motor trade – getting in some sort of home help.

We're an up-to-date couple and we've read about "nude" cleaning and housework services.

And we often joked about having a woman in a couple of

days a week, for me to ogle, and a bloke for her to do likewise.

For months it stayed a private joke between the two of us.

When my wife said she'd arranged for a new home help, I always imagined having a really fit nude woman parading about the house – bending over doing the vacuuming, dishes and toilets.

With me getting up for early work starts and also doing overtime, which meant me getting home late, it was a few weeks before I met the cleaner.

## Fiddling

And what a shock I got. The missus had got a youngish student LAD helping her out at home.

She said he was studying to be a child carer and would be able to help us out with our own kids.

But the next day when I sneaked home at mid-day he was there, starkers, doing the chores.

In comes my wife and starts fiddling

with his big dick. Then they're at it on the living room floor.

Her back suddenly seemed a lot better as he rammed her hard and fast until they orgasmed.

After that he got her on her back and started oiling her body and massaging her all over.

I slipped away feeling a bit confused and came back the next day to watch a repeat performance.

This time I must admit I found myself getting really aroused and I even had a quick hand-shandy while he had his head between her legs.

I should be angry, but sex is suddenly so much better with my wife.

And now I'm very reluctant to say what I've seen.

What should I do?

GS, Suffolk

**Bexi says...**

**SACK the lad and buy some oils.**

# Randy students were stars in the bedroom

Dear Bexi,

I'M an amateur astronomer and I love looking at the stars through my expensive telescope.

That probably explains why I don't have a regular girlfriend, but I was out on the town recently when I went into a pub popular with students and got chatting to a couple of 21-year-old blondes at the bar.

They are studying English, so I invited them back to my place and started to show them my collection of books about space.

They didn't seem too interested and one of them gave me a shock by saying: "Stuff the books, we want to shag you."

With that they stripped off and I led them eagerly to the bedroom. I lay back on the bed as they took it in turns to suck my rock-hard cock.

## Horny

Then they told me to wank myself as they put on an amazing lesbo show, fingering and licking each other to orgasm.

After that I got into one of them doggy-style as she fingered her mate up the arse.

Since then they have introduced me to some of their horny pals and next week eight of them are coming to my flat for an all-out orgy.

I'm thinking of making a vid. What do you think?

TF, east London

**Bexi says...**

**LOOKS like you may have a new career in porn movies.**

Dear Bexi,

I AM a 20-year-old student with a lovely pair of big knockers.

I recently went back to my parents to look after their place while they were on holiday.

They have a big house with a long drive, so I can see people approaching.

I positioned myself naked at a window in front of a mirror brushing my hair.

Out of the corner of my eye I saw the postman stop, unzip his trousers and – only partly hidden by a bush – start wanking.

I ran my hands up and down my body and the postman increased the beat.

Then I deliberately dropped my brush. With my head at knee level, I looked between my open legs to see the postman's face at the window.

I picked up the brush and pushed the handle into my fanny before sliding it slowly in and out.

I could feel my orgasm building and it wasn't long before I shouted out as I climaxed.

At the same time the postie ejaculated over the window.

Am I strange?

CS, Bath

**Bexi says...**

**YES... but the postman won't be complaining.**

**B**USTY Lucy Redd confessed that loves sucking on plums... No, we're not talking about men's bollocks in this case, we're talking **SOFT FRUIT!**

The flame-haired scorcher, from Lincolnshire, said: "I bought this house because it had a lovely garden with a mature orchard - and I just love apples and plums."

The 34DD cracker added: "I've had a superb crop this year and have made plum wine, plum jam, the lot."

"But my favourite thing is sitting in the garden, sucking some nice ripe plums."

"I was doing this the other way and when the window cleaner saw me he almost spilled the contents of his bucket!"

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day. Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smathers and Clarke Kent as Master Bates.

# SHOW ME THE HONEY!

**WELCOME to interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!**

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to [request@sunday-sport.co.uk](mailto:request@sunday-sport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

## KAREN WHITE

**HANDYMAN** Marcus Cooke wrote in asking for a topless snap of glamour royalty Karen White.

Marcus, 43, from Hull, reckons Karen, from Brighton, is the hottest girl to have EVER whipped out her norks in the *Sport*.

He said: "She's a real firecracker and gets me going every time I see her 34D boobs in the paper."

"If you could print a photo of her again for me, I'd be really chuffed!"

## CONSTANCE DEVIL

**BARMAN** Jason Culshaw fancies serving up more than a cocktail to Constance Devil.

Jason, 47, from Glasgow, says blonde Constance, from Oxford, is a real hottie and he dreams of her walking into his bar.

He said: "I'd be happy to serve her up a Sex on the Beach – but not just the alcoholic version, if you know what I mean?!"

"With those 38Fs she'd have me dribbling all over the bar – I wouldn't be able to keep my eyes in their sockets!"

**DONNA EWIN**

DELIVERY driver Kevin Holden turns 50 this week – and, to celebrate, he wanted a sexy snap of his all-time fave glamour girl Donna Ewin.

Kevin, from Poulton-le-Fylde, Lancs, had asked us for one thing – a date with the Cockney cutie.

But as we couldn't quite stretch to that, we've given him a stunning topless photo of the Bethnal Green babe flaunting her 34DD norks.

Happy Birthday, Kevin – hope you enjoy this snap!

## Gem can shine at Nottingham

### CALIFORNIA Gem can shine in the racingtv.com Handicap at Nottingham.

The Cable Bay colt has had a productive first season, winning a maiden and then a novice before faltering slightly throughout the height of the summer when first introduced to handicapping. A run in the valuable Tattersalls October Auction Stakes at Newmarket triggered a return to form as the bay was second, beaten just a length, with a subsequent win over this five furlongs leaving him proven over both course and distance.

#### Obvious

The latter performance was on soft ground, conditions he met again at Deauville when contesting the Listed Prix Zeddaan and holding his own when beaten two and a quarter lengths into fourth.

That French soft ground may be akin to Nottingham's heavy, and he holds a fighting chance under John Egan.

Charlie and Mark Johnston's Golden Flame has obvious claims on the Bet At racingtv.com Handicap on the same card.

conditions race at Pontefract, prior to which he unplaced in a few major handicaps including the Irish Cesarewitch.

Consequently he now runs off the lowest mark he has all term in a handicap and in a small field he looks a contender under Jason Hart.

The Archie Watson-trained Al Zaraqaan can continue to prove his versatility in the Greene King IPA Handicap Hurdle at Fakenham.

The Golden Horn gelding is a handy horse on the Flat, placing at Listed level on the all-weather before plying his trade over hurdles for the first time in July.

Second on his debut at Worcester, he was fourth at the same track before winning his first contest under the jumps code when striking at Newton Abbot.

He then set sail for Bro Park in Sweden, when he won a two-mile-three-furlong hurdle by three lengths under Gavin Sheehan.

He has little in the way of form on soft ground, but with Fakenham describing it as somewhere like good he is poised to continue his second career as a useful hurdler.

Rebecca Curtis' Wayfinder can resume last season's successes in the Download

The Vickers.BetApp Handicap Chase at Chepstow.

The eight-year-old signed off last term with two good wins over course and distance, the latter of which was particularly impressive as he streaked 39 lengths clear of Patroclus in mid April.

He makes his seasonal comeback having been raised 4lb, but conditions should suit and he ought to take the beating again.

Meanwhile, It appears only a late setback will keep Mishriff out of his Breeders' Cup Turf swansong.

John and Thady Gosden's globetrotting superstar has won top prizes in England, France, Dubai and Saudi Arabia in his illustrious career and attempts to add America to his CV when he lines up in Keeneland on November 5.

Having resisted the temptation to run at Del Mar 12 months ago, Mishriff is now set to join stablemate Nashwa on the plane to Lexington, Kentucky on Saturday week.

"Everyone who is involved in the horse are leaving the decision to John Gosden and he seems pretty positive," said Ted Voute, racing manager for Mishriff owner Prince Faisal.

"He has always mentioned the Breeders' Cup and Mishriff has run so well in lots of these races over the years."

# Woakes: I'm fit to play my full part

## ALL-ROUNDER DETERMINED TO GIVE ENGLAND HIS ALL AT T20 WORLD CUP

**STAYING POWER:** Woakes is keen to play a full part

**CHRIS Woakes is confident of playing a full part at the T20 World Cup after taking a "risk" to be involved in England's tournament-opening victory over Afghanistan.**

Woakes returned to the England set-up last month for the first time since the spring after an operation on his left knee but was doubtful to feature at Perth on Saturday with soreness in his right quad.

He passed a fitness test to convince England he was ready and then collected a respectable one for 24 after bowling the penultimate over and three in the powerplay in his side's win.

England might shuffle their bowling options against Ireland at the MCG on Wednesday, with Australia to come 48 hours later, but Woakes claimed he is fit and does not need to be shielded going forwards.

"You do feel as though you can't catch a break and that's in the back of your mind," he said. "But

as a fast bowler you are going to pick up niggles here and there, and rarely do guys bowl at 100 per cent.

"There was probably a little bit of risk going into face Afghanistan but I was desperate to play and (England) were happy to go with my lead in terms of how I felt and my experience of how my body felt.

"It's just with a muscle injury you can make it worse and with it being a short tournament you don't want it to get any worse. This was the game I was worried about coming too quickly.

"Having got through four overs and fielding for 20 overs, and getting through my fitness test, I feel in a good place. Fingers crossed, if I'm selected, I'm available for all five games."

England were brilliant with the ball on a springy Perth surface but are now on the Australian east coast, which has been damper and cooler than usual due to the La Nina weather pattern.

The weather in Melbourne is

notoriously hard to predict but showers are forecast Friday, which might hinder England's bid to move to within touching distance of the semi-finals.

But the conditions may also aid swing and seam which would be a boon for Woakes, who is unaccustomed to helpful pitches in Australia after struggling on England's Ashes trips.

"If it's overcast and swinging

around, I'm more than happy for it to be like that," Woakes added. "It's usually hot sunshine and flat wickets, so I'm more than happy for a bowler-dominated tournament, but whether that's the case I'm not sure.

"Hopefully the ball does move in the air, that certainly helps us as a bowling unit, so we'll see. Maybe we'll feel at home with all the rain."

England might elect to reduce the workloads of Woakes and Mark Wood and bring in two of Chris Jordan and left-armers David Willey and Tymal Mills against Ireland, with one eye on Australia.

While Ireland started their Super 12s campaign with a defeat against Sri Lanka, they defeated Scotland and the West Indies to get to this stage.

Woakes is therefore adamant they cannot be underestimated.

"We know they're a dangerous team," Woakes added. "For any team to come through the group they've come through, to knock out West Indies, you've got to be able to play some good cricket.

"It's a huge game for both teams

and we'll be looking forward to the challenge."

Meanwhile, Alex Lees has vowed to earn another chance with England, after revealing he broke a finger in the final Test of the summer.

The left-handed opener was axed for next month's tour of Pakistan after a run of 10 consecutive games, with Keaton Jennings and Ben Duckett called up in his stead earlier this month.

The Durham man and top-order partner Zak Crawley were under pressure throughout the summer as they struggled, but only Lees has paid with his place after averaging 23.84 in 19 innings.

A determined 39 in the season-ending victory over South Africa at the Kia Oval was not enough to salvage his spot, though a fractured digit explains a lot.

Posting on Twitter alongside a picture of him taking the field with England, he wrote: "Gutted about not being selected for the upcoming tour.

"Loved every minute of this summer & I'm going to work all out this winter to try and get back to where I want to be."

# GAME, SET AND MATCH TO RUBEN

**IN-FORM** Chelsea midfielder Ruben Loftus-Cheek said his physical condition has never been better as he revealed he recently spoke with tennis star Andy Murray about overcoming injury setbacks.

Loftus-Cheek has started five of the Blues' last six games under Graham Potter and retains hope of forcing his way into England's World Cup squad.

The 26-year-old, who is on the fringes of Gareth Southgate's squad, has endured a frustrating, stop-start career at Stamford Bridge amid a number of fitness issues.

But he is once again threatening to finally fulfil the potential which saw him earn a place at the 2018 World Cup, having been relatively injury-free since returning from a ruptured Achilles tendon in 2020.

Two-time Wimbledon champion Murray has also been dogged by injury problems in his illustrious career and swapped tales with Loftus-Cheek during last month's Laver Cup.

"It was good to see how he sees himself and his career and the injuries that hindered him through it," Loftus-Cheek, who also watched Murray at Surbiton in May, told a press conference ahead of the Blues' European game in Austria.

"Obviously he had a big one with the hip that he still struggles with

By **PAUL THOMAS**

a bit. It was a good chat to compare our careers really and injuries have been a big part.

"But now I feel good. I feel physically strong and fit and being injury-free for the last couple of years has been a big part of that.

"I've never had that in my career, so that's a big positive for me and that's why I'm in-form right now. I am feeling the strongest, fittest and quickest I've been."

Loftus-Cheek won 10 England caps across 2017 and 2018, four of which came as Gareth Southgate's side reached the World Cup semi-finals in Russia.

He returned from that tournament expecting his career to take off but is now thankful just to be playing regularly as he attempts to force a spot on the plane to Qatar.

## Grateful

"It would be amazing, it would mean a lot," he said of a potential Three Lions recall.

"Going to the 2018 World Cup, you see your trajectory go like that (gesturing upwards) and obviously being at the next World Cup if everything goes well. But a lot has happened in between that time.

"I'm just happy and grateful I'm fit and healthy and playing football consistently.

"That's all I can ask for and if I go to the World Cup off the back of what I'm doing now, it would mean the world, but that's not at the forefront of my mind at the moment.

"We've got some big games coming up at the club that need our full focus and it would be selfish for me to be thinking about my personal aspirations, rather than the club's."

**HE'S FITTER THAN EVER:** Loftus-Cheek

# NO AVERAGE JOE FOR WALES

By **LEE GREENE**

DANNY Gabbidon says the potential World Cup loss of Joe Allen would probably be a bigger blow to Wales than if they lost Aaron Ramsey or Gareth Bale to injury.

Swansea midfielder Allen, a mainstay of Wales' 2016 and 2020 Euro teams, has not played since sustaining hamstring damage against Hull on September 17.

The Welsh club had hoped the injury was not serious, but Swansea boss Russell Martin said last week he could not give a "definitive answer" if the 72-times capped Allen will be fit for the World Cup in Qatar.

Allen is set to undergo

further scans this week to determine whether he will be ready for Wales' World Cup opener against the United States on November 21.

"There will be lots of Wales fans and players concerned because we all know how important Joe is to the team," former Wales defender Gabbidon said.

"He's probably even more important than Gareth and Aaron because we've struggled in that area over the last two or three years.

"Joe had a partnership with Joe Ledley in that midfield, and his importance is even greater now since

Ledders has gone. He is the glue in there with the defensive job he does and the experience that he has.

"You can see the difference in that midfield area when he's not there, and it's where games are won and lost."

Wales boss Robert Page is having to contend with injury worries ahead of the nation's first World Cup for 64 years.

Sheffield United defender Rhys Norrington-Davies is a serious fitness doubt after damaging his hamstring.

Cardiff midfielder Rubin Colwill has not played for a month because of a hip problem, and the on-loan Ethan Ampadu came off

injured in Spezia's 1-0 Serie A defeat at Salernitana on Saturday.

"You want all your players for major tournaments," Gabbidon said at the FA of Wales McDonald's Grassroots Football Awards.

"The first game is always important. If you can get off to a good start it gives you confidence.

"We're playing two sides in the USA and Iran, before we meet England, that if we play well we are capable of picking up points.

"But, on the flip side, if we're not quite at it they are two nations who can turn you over."

**BIG MISS:** Joe Allen

ANGRY: Gary O'Neil

## Gary fumes at handball shockers

GARY O'Neil criticised the "terrible decision" to allow Kurt Zouma's controversial goal in Bournemouth's 2-0 defeat at West Ham.

Zouma's first goal since November 2021 was allowed to stand by the VAR despite a clear handball by Thilo Kehrer.

The defender scooped Jarrod Bowen's corner into the air before the ball was headed clear by Chris Mepham, nodded back by Tomas Soucek and eventually over the line via the top of Zouma's head.

The word from Stockley Park was that because the handball was not deliberate, and had not led directly to the goal, it was allowed to stand.

O'Neil was booked for his protests just before half-time and made his feelings clear to referee David Coote at full-time.

"I'm doing that every game at the minute," said the Cherries caretaker boss.

"We're obviously disappointed with the first goal, it was a terrible decision.

"It cannot stand, it's impossible that that's a goal.

"His arm moved towards the ball. I can't understand how that can be given. I just can't even believe we have to discuss it, it's handball 100 times out of 100."

Bournemouth's luck deserted them again in stoppage time when Vladimir Coufal's cross struck the arm of Cherries substitute Jordan Zemura as he slid in to block, with Said Benrahma converting the penalty.

"It's hard on the lads," added O'Neil. "It's the way it's going at the moment, really unlucky.

"They get one breakaway and cross the ball with hardly anyone in the box. Anyone who's ever slid for a ball will not have their hands by their side, it's impossible.

"The hard thing to take is the huge advantage West Ham gained for their two handballs, and we were getting no advantage from the ball hitting Jordan's hand."

Hammers boss David Moyes has complained recently that too many calls were going against his side – but the Scot had got lucky this time.

"I've genuinely not seen any of the incidents," he said. "Obviously Bournemouth are disappointed with how it went.

"But what I would say is our performance merited better goals than we scored."

# CITY BOSS IS A BIG FAN OF RISIN

# MOVING DID JUDE A FAVOUR

## Guardiola thinks Bellingham would be years behind if he'd stayed in England

**MANCHESTER** City boss **Pep Guardiola** has called Borussia Dortmund midfielder **Jude Bellingham** the "whole package" but suggested his development might have been stifled if he had stayed in England.

The 19-year-old Bellingham followed the path of Jadon Sancho, who turned down a new City contract to join Dortmund in 2017 when he left boyhood club Birmingham for Westphalia two years ago, but the decision has paid off handsomely thanks to the club's policy of promoting youth.

Guardiola, who meticulously managed Phil Foden's development at City, suggested Bellingham would not have got the same opportunities

By **PAUL THOMAS**

on the east side of Manchester or at any of the Premier League's other top clubs.

"I think Borussia Dortmund is the perfect place for young talent to come," he said.

"Maybe if Jude Bellingham was in England he would go to City, United, Liverpool, Chelsea, Arsenal, or Tottenham, maybe he would not get the minutes. The best thing for a young player to be better is to play minutes.

"He was 17 when he arrived but it was not just about his quality, how he was leading, his kicking, going to the referee.

"This guy was something special in terms of his mentality. Now he is 19 and he is already one of the captains.

"The quality, everybody knows it. The whole package is really good."

As Bellingham continues to be

linked with a big money switch to the Premier League, many City fans are hoping he will follow Ilkay Gundogan, Manuel Akanji, and Erling Haaland in swapping Signal Iduna Park for the Etihad.

All the talk around City is about Erling Haaland who has already scored an impressive 17 Premier League goals in just 11 appearances for Pep's men.

That has sparked talk of the Norwegian setting a new scoring record.

### Notched

His first target is the 34 scored by Alan Shearer and Andy Cole to set a new high mark in the Premier League.

And some think he may even threaten the staggering 60 Dixie Dean scored in the 1927-28 season. That came in just 39 outings for the Everton legend who notched 85 times in all matches in the 1928

calendar year. If he keeps scoring at the same rate, Haaland will knock in 59 league goals this season.

City defender Ruben Dias can be grateful the relentless schedule of games means he rarely has to face Haaland in training, but he was clear about the challenge the 6ft 5in Norwegian poses.

"When you talk about the relationship between striker and defender it's all about the margins," the Portuguese said.

"Some guys if it's a 50-50 against them you know you can win (the duel).

"With other guys you need it to be 60-40 in your favour and at the top level 70-30.

"Erling you need it to be 100 to you, because if you go to 99 with him he can do something. He's that kind of striker."

With less than a month to go to the World Cup several players will inevitably already have one eye on

# G ENGLAND MIDFIELD STAR

**THRIVING:**  
Bellingham  
is a star at  
Dortmund

Qatar – but not Haaland as Norway have not qualified.

After scheduled friendlies against the Republic of Ireland and Finland next month Haaland can enjoy a long rest – potentially a frightening thought if he goes into the second half of the season fresher than the defenders he is facing.

“He will be in Marbella for sure, or in Norway,” Guardiola said. “It depends on how he behaves in Marbella as to how good he is for the second half of the season.”

## Depressed

“Hopefully he doesn’t drink much, eat much and comes back fit and then he can be perfect for the second half of the league.”

“But this is the first time in our life a winter World Cup is going to happen and we don’t know how people are going to come back. Maybe some players will come back incredibly happy, some maybe

depressed if they get eliminated in the knock-out stages, some have more holidays.

“We have seen how many injuries there are with this insane calendar...”

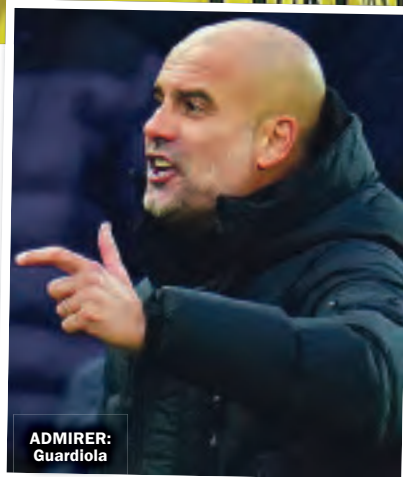

“We will see when they come back, we will smell it, then the routine on a daily basis will adapt.”

Guardiola has been more than impressed by Haaland who has already exceeded his expectations.

He said: “I didn’t know just how good he moves in small spaces in the box. In the end he has scored a lot of goals because he moves really well.”

“He’s so intuitive and especially the way he makes movements. He goes away from the action to be close to the ball. This type of movement isn’t easy for a striker. He’s so smart to make these movements in the right moments.”

“And his work ethic, he’s one of the first to arrive at the training centre and one of the last to leave. He takes care of his body perfectly.”

**Villa fork out big bucks to get  
Emery...but he can't start yet**

By JOHN ANTHONY

**ASTON VILLA had to pay £5.2m to buy new boss Unai Emery out of his contract at Villarreal.**

The Brummie giants see the former Arsenal boss as the ideal man to get them up the table.

They showed Steven Gerrard the door after just 40 games in charge which brought 13 wins and 19 defeats.

Emery spent 18 months in charge of Arsenal before being sacked in November 2019.

He is back in English football but will have to wait at least a week to take over until his work permit comes through.

The Spaniard has agreed a three-year deal at Villa Park and is likely to have Manchester United at home as his first game in charge. Then it's the Red Devils

again in the Carabao Cup a few days later.

It's a surprising move as Emery turned down the change to take over at Newcastle last year before Eddie Howe moved to St James's Park.

The 50-year-old has had a successful stint with Villarreal, taking them to the Champions League semi-final where they were beaten by Liverpool.

Insiders say both Mauricio Pochettino and Thomas Tuchel ruled themselves out of the running because they want a Champions League club.

Emery said it had been a "perfect" journey with Villarreal, but he had made a "difficult" decision to seek a new challenge.

He added on Twitter: "Farewell is hard and difficult, but my feeling and my reflection is that I must start a new project."
